

Print template

Dear customer:

With this print template you can easily program the beverage buttons labelling based on your individual requirements.

The two left-hand columns should be used if your coffee machine has two button levels; the two righthand columns should be used if it has one button level.

The beverage texts can be freely entered.

(Blanks in the left-hand column may be entered only after the whole text has been entered.)

Mouse click on the blue field:
printing starts.

Printing settings:

- Landscape format (rotate and center automatically)
- Page adjustment: none (no scaling)

This template should be printed on adhesive labels (Avery Zweckform No. 3659) or on suitable printer paper. This paper should be cut along the dashed lines. The paper labels should be affixed the label carrier by using a glue stick.

A large black rectangular area representing the print template for coffee machine buttons. It is divided into two main sections by a vertical dashed line. The left section is labeled 'Labels for two button levels.' and contains six horizontal white lines. The right section is labeled 'Labels for one button level.' and contains six horizontal white lines. The entire area is enclosed in a dashed border.
