

WMF CUP & COOL

I400 SERIES

bistro! **SERIES**

Available in 2 sizes

The perfect compliment to a WMF One Step Espresso Machine. Custom designed for the WMF I400 and Bistro product lines, the cup and cool series provide an ideal combination: heat for the cups and cool for the milk. Designed for small to large volume applications, either unit can be coupled with with the I400 or Bistro.

Four colors of illumination can be programmed to compliment the WMF I400 or Bistro, with the I400 series cup and cool.

Consistent temperatures are achieved with true compressors, no thermal cells.

NSF4 and UL Approved.
